

Sector: Food Manufacturing
Area: 375sqm
System: Polymer Screed + Acrylic Decor System (MMA)
Colour: Yellow Ochre

Quickset resin flooring Ltd were subcontracted to provide over 375sqm of a 4mm quarts based MMA resin solution. The Acrylic Decor system is a quarts filled, trowel applied system providing excellent slip resistance, durability and cleanability. With an ultra-fast cure time of 2 hours, we were able to complete substrate preparation and instal the system over a weekend to provide minimal downtime.

Multiple repairs were carried out prior to installing the final finish and a polymer modified screed was installed first to level the floor first. This system is also available with a cove detail if required.

Other Standard Colours available in this system:

This system is designed:

Designed for wet areas and heavy industry, for example, fish, meat and poultry processing, bakeries, breweries, dairies, kitchens and other areas where hygiene and cleanability are paramount. The Décor system is also a perfect flooring solution for heavy engineering areas and pharmaceutical facilities.
